WILLING TO TRAIN • NO EXPERIENCE REQUIRED • IMMEDIATE OPENINGS

11 REASONS TO WORK FOR US

Because why stop at 10?

Did You Know?

Quantum Design manufactures 5 unique product lines servicing industries such as printing, packaging, food and beverage, labels, pharmaceutical, agriculture, automotive, film, consumer products and many more. Cross training on product lines helps further enhance your skills and give you exposure to a lot of opportunities.

NO EXPERIENCE? NO WORRIES

QUALITIES THAT HELP WITH SUCCESS INCLUDE

Creative/Technical Thinking & Ideas

we appreciate a mind that is continuously spinning with new ideas, problem solving, seeing things in a new light, and more

Hard Working

show up ready to work, learn new skills, try your best, and join a team that works diligently while still having fun

Mechanically Inclined

whether it's working on cars, building things, carpentry, or just working with your hands, we can put a tinkering mind to work

Motivation

we prefer to promote from within and have opportunities for growth, we just need eager candidates to fill these rolls

CURRENT OPEN POSITIONS
